Re: U.S.A. v. Lorenzo, Francis, et al.
Case No.: 15-Cr-00706 (VSB)

Honorable Judge Broderick:

The Government (through AUSA Douglas Zolkind) and Probation (through USPO Zondra Jackson) have no objection to the following request. Defendant, Francis Lorenzo, requests this Court grant him early termination of supervised release.

On October 6, 2015, Mr. Lorenzo was arrested in this matter. On December 9, 2019, Mr. Lorenzo was sentenced to time served and two (2) years supervised release. Since being placed on supervised release, Mr. Lorenzo has been in full compliance with all terms of his supervised release, has had no new arrests, and has timely satisfied all community service and financial obligations as confirmed by USPO Jackson. Additionally, prior to sentencing, Mr. Lorenzo spent approximately four (4) years under strict supervision pursuant to his pre-trial/sentence bail conditions. During that time, Mr. Lorenzo also dutifully abided by all of his pre-trial/sentence bail conditions without any incident whatsoever.

Based on the foregoing, we respectfully request that Your Honor enter an Order granting Mr. Lorenzo's motion for early termination of supervised release, and for such other and further relief as may be just and proper.

Respectfully submitted,

BRIAN H. BIEBER
